# Chrome River Collects \$35M More

Los Angeles-based expense and invoice management software developer **Chrome River** (<http://www.chromeriver.com>) announced Thursday morning that it has raised \$35M more in funding. The funding, which closed in December, came from existing investors Argentum Group, Bain Capital, First Analysis, and Great Hill Partners. According to the company, the new funding will go towards international expansion, product innovation and potential acquisitions.
