Chrome River Scores Another \$35 Million in Funding

By JoAnn DeLuna / January 04, 2018 / Contact Reporter

Chrome River raised \$35 million in December from its existing investors: Argentum Group, Bain Capital, First Analysis and Great Hill Partners. The expense management and invoice firm said it would use the funds to expand internationally, innovate products and scale customer service support for its more than 1.5 million users. The capital also could fund acquisitions. Chrome River raised **\$100 million** from Great Hill Partners in 2015 and **\$17 million** in 2014 from Bain Capital, Argentum Group and First Analysis.
